Dear Sir:

I am sending you, herewith, our cheque for thirty-three dollars ($33.00) for the three medals purchased from those which were sent to our Exhibition through Mr. William C. Langdon.

The delay in sending this cheque was due to the fact that these medals have been away on exhibition at various placed arranged for by Mr. Langdon, and we could not purchase them until they finally came back into our possession.

Very truly yours,

Enc.
